

Internship Calendar for 65 Tech Companies in India (2025 & 2026)

This document provides a detailed internship calendar for 65 prominent tech companies in India. It includes information on application periods, stipend details, key focus areas, and important topics to prepare. This guide is categorized into three sections: Summer Internships, Winter Internships, and Rolling Applications.

Table of Contents

1. Summer Internships (Application: September–February)
2. Winter Internships (Application: June–September)
3. All-Year Internships (Rolling Applications)
4. Key Topics to Prepare

1. Summer Internships (Application: September–February)

Google

Stipend: ₹75,000/month

Focus: Data structures, ML, cloud computing

Application Period: September–October

Amazon

Stipend: ₹50,000–₹70,000/month

Focus: Distributed systems, backend

Application Period: September–November

Microsoft

Stipend: ₹40,000–₹50,000/month

Focus: Software dev, cloud

Application Period: December–January

Flipkart

Stipend: ₹25,000–₹35,000/month

Focus: E-commerce platforms

Application Period: January–March

Oracle

Stipend: ₹30,000/month

Focus: DBMS, Java, SQL

Application Period: November–February

Infosys

Stipend: ₹10,000–₹15,000/month.

Focus: Web dev, SAP.

Applications: Rolling.

Cisco

Stipend: ₹40,000–₹50,000/month.

Focus: Networking, security.

Applications: Dec-Feb.

Intel

Stipend: ₹40,000/month.

Focus: Embedded systems, ML.

Applications: Dec-Feb.

VMware

₹40,000/month.

Focus: Cloud infra, virtualization.

Applications: Jan-Feb.

Deloitte

₹25,000–₹30,000/month.

Focus: SAP, analytics.

Applications: Jan-Mar.

Apple India

Stipend: ₹60,000–₹70,000/month.

Focus: iOS dev, ML, hardware-software optimization.

Application Open: October–December.

IBM India

Stipend: ₹25,000–₹30,000/month.

Focus: AI, quantum computing, data analytics.

Application Open: November–January.

Goldman Sachs

Stipend: ₹80,000–₹1,00,000/month.

Focus: FinTech, software dev, and system architecture.

Application Open: September–November.

Razorpay

Stipend: ₹30,000–₹40,000/month.

Focus: Payments tech, backend dev.

Application Open: December–January.

Salesforce

Stipend: ₹40,000/month.

Focus: CRM, SaaS, and cloud platforms.

Application Open: October–January.

2. Winter Internships (Application: June–September)

TCS

Stipend: Unpaid

Focus: Programming, cloud

Application Period: July–September

Capgemini

Stipend: ₹15,000–₹25,000/month

Focus: Full-stack, analytics

Application Period: August–September

Accenture

₹25,000/month.

Focus: AI/ML, cloud.

Applications: July–Sept.

Wipro

₹15,000/month.

Focus: DevOps, SAP.

Applications: Aug–Sept.

HCL

₹10,000–₹20,000/month.

Focus: Networking, software.

Applications: June–Sept.

SAP Labs

₹35,000/month.

Focus: ERP, DBMS.

Applications: Aug–Sept.

PhonePe

Stipend: ₹30,000–₹35,000/month.

Focus: Mobile apps, microservices.

Application Open: August–September.

Swiggy

Stipend: ₹25,000–₹30,000/month.

Focus: Logistics optimization, data analytics.

Application Open: July–September.

Bajaj Finserv

Stipend: ₹20,000–₹30,000/month.

Focus: Financial modeling, automation.

Application Open: July–August.

Cognizant

Stipend: ₹20,000/month.

Focus: Full-stack dev, AI integration.

Application Open: June–August.

Tech Mahindra

Stipend: ₹15,000–₹20,000/month.

Focus: Telecom tech, software solutions.

Application Open: July–September.

3. All-Year Internships (Rolling Applications)

Atlassian

Stipend: ₹40,000–₹50,000/month

Focus: Collaboration tools, cloud security

Gojek

Stipend: ₹30,000–₹40,000/month

Focus: Transport tech, data engineering

Adobe: ₹50,000/month. Focus: UX design, ML, cloud.

Paytm

₹20,000–₹30,000/month.

Focus: Payments, mobile apps.

Swiggy

₹25,000/month.

Focus: Data analytics, backend.

Zomato

₹20,000/month.

Focus: Frontend, logistics optimization.

Ola

₹20,000/month.

Focus: IoT, AI.

Uber

₹50,000/month.

Focus: Algorithms, system design.

Qualcomm

₹50,000/month.

Focus: Embedded systems, 5G.

HP

₹20,000/month.

Focus: Hardware-software integration.

Nvidia

₹60,000/month.

Focus: GPU programming, AI.

LinkedIn

₹60,000/month.

Focus: Backend dev, analytics.

Dream11

Stipend: ₹25,000–₹30,000/month.

Focus: Gaming, data visualization.

Meesho

Stipend: ₹20,000–₹30,000/month.

Focus: E-commerce, backend engineering.

LTI Mindtree

Stipend: ₹15,000–₹25,000/month.

Focus: Digital transformation, cloud.

Other Prominent Companies

Zerodha: ₹20,000/month. Focus: Fintech.

CRED: ₹25,000–₹35,000/month. Focus: Blockchain, frontend.

BYJU's: ₹10,000–₹20,000/month. Focus: EdTech.

Freshworks: ₹25,000/month. Focus: CRM, SaaS.

Reliance Jio: ₹15,000–₹25,000/month. Focus: Telecom tech.

Samsung: ₹30,000/month. Focus: Mobile computing, IoT.

ThoughtWorks: ₹20,000–₹30,000/month. Focus: Agile dev.

Zoho: ₹15,000–₹20,000/month. Focus: Full-stack.

MakeMyTrip: ₹20,000/month. Focus: Data analytics, frontend.

BookMyShow: ₹15,000/month. Focus: Entertainment tech.

4. Key Topics to Prepare

1. **Programming**: Master Python, Java, C++.
2. **Algorithms & Data Structures**: Prioritize graph theory, dynamic programming, and arrays.
3. **System Design**: Basics of REST APIs, caching, and scalability.
4. **Cloud Computing**: Proficiency in AWS, Azure, or GCP.
5. **AI/ML**: Concepts in supervised/unsupervised learning and tools like TensorFlow.
6. **Soft Skills**: Team collaboration and problem-solving for behavioral rounds.
7. **DevOps**: Kubernetes, Docker, CI/CD tools.
8. **Databases**: SQL, MongoDB, data modeling.

General Notes

Many companies prioritize projects and soft skills alongside technical knowledge.

Stipends and internship durations vary with location and role.

Always check individual company portals for the most accurate and updated deadlines.
